01 PROFILE

As a recent Architecture graduate, I am a committed, organized, and responsible professional, with strong adaptability, collaborative skills, and efficient project management capabilities.
I am proactive and detail-oriented, with a proven ability to meet objectives and deadlines, developing creative and functional solutions to project challenges. Passionate about architecture and landscape design, I am seeking to join an organization where I can contribute my knowledge, skills, enthusiasm, and a commitment to continuous improvement and collaborative work, while creating thoughtful, functional value through every project.
